Sanket Choudhary

GenAI & ML Engineer | Technical Consultant @ Reliance Jio via Quest Global | Building Production AI Systems | LLM · Stable Diffusion

Navi Mumbai, Maharashtra, India

Summary

GenAI & ML Engineer with 3+ years of experience building production-grade AI systems at scale. Currently serving as AI Lead for JioSphere Browser at Reliance Jio via Quest Global, where I lead GenAI innovation across audio, video, and image-based offerings. Recognised as Top Partner Employee twice consecutively (December 2023 & January 2025) for driving measurable impact on GenAI ad products. Won the Jio-wide AI Agent Hackathon (July 2025) competing across one of India's largest technology organisations. Core expertise: Large Language Models, Retrieval-Augmented Generation, Stable Diffusion, multimodal AI, and full-stack AI integration — from research and prototyping through to production deployment. Passionate about applying AI to real-world products, civic infrastructure, and enterprise tooling as well as contributing time and effort for Social Good.
